Help Needed

for a research study on the
DEVELOPMENT OF ***SPEECH PRODUCTION***

Waisman Center

WHO CAN PARTICIPATE?

- Healthy typically developing adults who meet the following criteria:
  - 19 years and older
  - Native fluent speakers of English
  - No known speech or hearing issues

WHAT DOES THE STUDY ENTAIL?

- **Listening** to sounds, words, and sentences over headphones.
- **Rating** the quality of speech heard.
- This will take about **45-60 minutes** and you will be compensated for your time.
