Regional Disparities in the Identification of ASD: Looking at Race, Ethnicity, Gender and Age
Organized and presented by the Great Lakes LEND Collaborative – Illinois, Indiana, Minnesota, Wisconsin LEND Programs
September 26, 2013, 8:30am - 12:30pm
Milwaukee, WI

Wisconsin LEND will be sending invitations through the CoP listserv to the Wisconsin Community of Practice on Autism and other Developmental Disabilities, and also include all members of the WI Act Early team. This is part of the ongoing work after the two Regional Summits around Autism and Learn the Signs: Act Early.

Allies in Autism (CESA 6) flyer

DSM 5 Practice Group - the purpose of this practice group is to develop and disseminate resources to help families and individuals with autism understand the changes to the DSM 5 and how the changes will impact their lives. Contact Kirsten Cooper if you are interested in being on this practice group

Proposed Wisconsin Child Psychiatry Access Line for Primary Care Clinicians - Invitation

Stakeholder Meetings
Primary care clinicians serving children are a key resource in addressing children’s mental health. Stakeholders in Wisconsin are exploring the creation of a statewide mental health consultation phone line with child psychiatrists for primary care clinicians.

Consider attending one of the July meetings to join the discussion on the proposed Wisconsin child psychiatry access line. Meetings will be held from 8am – 12pm, with breakfast at 7:30am.

• Monday, July 22 at the Italian Community Center, Milwaukee
OR
• Tuesday, July 23 at Saint Clare’s Hospital, Weston

Able to attend?
To learn more about the meetings, please open the attached document.
To register, visit www.maxishare.com/conferences
Registration will close July 15.

Unable to attend but interested in sharing your perspective on this topic?
Consider completing this survey prior to July 22: https://www.surveymonkey.com/s/pdpalpcc

Other resources:
• Brief overview video of Wisconsin’s proposed access line (13 minutes)
  http://www.youtube.com/watch?v=gYHEm6_Wymc
• Additional information on the proposed access line
  https://www.wiaap.org/news-media/?ID=200

Supporters of the proposed access line include the Wisconsin Chapter of the American Academy of Pediatrics, Wisconsin Academy of Family Physicians, Wisconsin Alliance of Child Psychiatry and Pediatrics, Wisconsin Council of Child and Adolescent Psychiatry, and the State Council on Mental Health.
