

# COMMUNITY CONVERSATION

## CHOOSING QUESTIONS

Three things to keep in mind:

1. Pose only two questions for the event.
2. Ask questions that push people to think about what *they can* do to elicit change.
3. Avoid questions that explore the value behind your topic.

List several questions about inclusion that are important to and will resonate with the community:

From this list, pick one or two that stand out because they could be answered by a broad range of community members and they could uncover valuable resources or connections:

Write your questions in a way that encourages action and commitment:
